EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Julia A. Thomas (Reg. No. 52,283) on 3/22/2006.

Claim 52 is cancelled.

Allowable Subject Matter

This Notice of Allowance is in response to the Amendment dated 10/19/2005.

Claims 1-51 are allowed.

Examiner's Statement of Reason's for Allowance

The following is an examiner's statement of reasons for allowance.

This Notice of Allowance is in response to the Amendment dated 10/19/2005.

Prior art was found which disclosed many of the features of the Applicant's claims.

Gerace disclosed a sales ratio for determining urgency of particular advertising. Gerace further disclosed weighting, categories, grouping, contextual relevance, context ratios, and targeting concerning content or advertising of relevance.

Lumelsky disclosed a voice/audio portal.

Lowe disclosed selectively disabling a user's ability to stop or interrupt an advertisement

from being played.

However, the specificity and detail of the complete algorithmic formula for determining advertisements to play as stated in all of the Applicant's independent claims, in combination with the above voice portal and disabling of a user's advertising control, was not found in the prior art.

Hence, the independent claim 1 and the other independent claims which state these features and their dependent claims were found to be allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
